

Now One of the Largest Stores in the World Devoted to the Selling of Furniture and Home Necessities, Exclusively.

## R. C. REYNOLDS

### A Phenomenal and Unexampled Sale Begins Here Saturday

It is not too much to say that this is the most important announcement we ever made concerning Furniture and allied lines.

We believe indeed, that it is the most important furniture news ever announced in this city.

Here is a million dollar stock.

It would be impossible to collect a finer stock of Furniture or one more representative of the best in American production.

And whatever you choose, for whatever room, of whatever style, the price reduction will be the best that has prevailed in years.

We inaugurate this sale in recognition of the spirit of the times—a spirit that seeks lower prices, that expects some way will be found to reduce the cost of living and increase the purchasing power of the dollar.

We inaugurate this sale to bring the benefit of lower prices to our customers NOW, while so many thousands are contemplating new homes and refurnishing the old.

We inaugurate this sale, also, in the hope and confidence that the makers of Furniture will meet it in the proper spirit, and that when this Furniture has gone out to enrich the homes of the community we may be able to replace it at prices more favorable than in the past, though it may and probably will not be possible again to equal on so broad a scale the low prices that are now offered.

### SATURDAY THE SALE BEGINS

and each piece of Furniture is marked in plain figures, with regular price and sale price reductions showing.

You can wait upon yourself!

If you are not ready for the Furnishing things now, we will pack and store the goods free until Spring. A small payment at time of selection and the balance weekly or monthly—just like you bought Liberty Bonds—and the entire bill is soon liquidated. It's an easy way—it's a convenient way. Try it!

## SOME SMILES

Left-Handed Compliment.  
Many played the piano rather poorly, but had been urged to play for the guests. After the painful ordeal was finished, she said modestly, "I know I play fierce, but I'll get there some time."  
"You do beautifully!" said Great Aunt Susan comfortably. "Why, most folks that couldn't play better'n you wouldn't play at all."—Life.

### Precious.

"What's the matter, my dear? Are you lost?"  
"Yes, I am—am. They can't afford to lose me, either, 'cos I'm the only one they've got."—London Tit-Bits.

### Home-made, but Has No Equal for Coughs

Makes a family supply of really dependable cough medicine. Easily prepared, and cures about 85% of all coughs.

If you have a severe cough or chest cold accompanied with soreness, throat tickle, hoarseness, or difficult breathing, or if your child wakes up during the night with croup and you want quick help, try this reliable old home-made cough remedy. Any druggist can supply you with 2 1/2 ounces of Pinex. Pour this into a pint bottle and fill the bottle with plain granulated sugar syrup. Or you can use clarified molasses, honey, or corn syrup, instead of sugar syrup, if desired. This recipe makes a pint of really remarkable cough remedy. It tastes good, and in spite of its low cost, it can be depended upon to give quick and lasting relief.

You can feel this take hold of a cough in a way that means business. It loosens and raises the phlegm, stops throat tickle and soothes and heals the irritated membranes that line the throat and bronchial tubes with such promptness, ease and certainty that it is really astonishing.

Pinex is a special and highly concentrated compound of genuine Norway pine extract, and is probably the best known means of overcoming severe coughs, throat and chest colds.

There are many worthless imitations of this mixture. To avoid disappointment, ask for "2 1/2 ounces of Pinex" with full directions and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., Ft. Wayne, Ind.
